

PSP Basic Program (K-12)

- Grace Christian School completes affidavit filing as a private school with the state of California

 - Family enrollment in our private school satellite

 - Obtain previous school records/cumulative file

- Hold student cumulative file, recording keeping and accountability

 - No monthly group meetings

- New family initial meeting with PSP Administrator and several paperwork meetings required throughout the school year as applicable

 - Enrolled families can meet with Administrator as needed

 - Due dates for required homeschooling documentation

 - Guidance for curriculum and student academic plan

 - HS 4-year plan and college assistance

- Planned family field trips, grade level and group activities and social events

Enrolled families will be given passwords to obtain Grace Christian School documentation records to fill out for each K-8 and High School student. The beginning of the school year paperwork includes attendance record, course of study for grade level, course documentation, etc. and report cards for the end of each semester. Due dates for paperwork will be given by PSP Administrator.
