

HIGH SCHOOL STUDENTS

July 3, 2025

Hello PSP Family,

This letter is to inform you that our transcript service has updated its system to be compliant with an NCAA transcript. An NCAA transcript would be needed to determine your student's eligibility to compete in college sports at the Division I or II level. I need some information from your student to add to the transcript. Unfortunately, without this information the transcript doesn't calculate correctly. ***Even if your student is not going to a university, I need this information.*** Please fill out this form and turn it in with your beginning of the year paperwork.

Thank you,

Randa Waller
Grace Christian School PSP Administrator
